

*Mill Creek*

VINEYARDS & WINERY

**2006 GEWURZTRAMINER**  
DRY CREEK VALLEY

**“EXOTIC!”**

For the adventurous wine lover, this wine will entice you with flavors of mango, lychee, and spice, but the fruit is subtle and the wine is made in an off-dry style that makes for easy drinking. Great with Asian cuisine, but pairs equally well with just a warm sunny day.
